

CS DEVELOPMENT GROUP

21 July 2015

To Whom it May Concern

I would like to inform that Sunstar Plumbing have been contracting to CS Development Group for the past 12 years and in this time I have found Steve and the boys a pleasure to deal with. The team at Sunstar are extremely professional and diligent in the work they perform and I would gladly recommend the team to other builders.

Sunstar has just completed works on a 118 unit residential development and we have contracted them for another 119 unit development.

If you have any questions feel free to contact me on 0422 062 828.

Yours faithfully
